BA DESIGN(Bachelor's)		B
BA DESIGN (Honour's)		Ongoing

I am a strong-minded individual who can work both independantly and as part of a team. I have great attention to detail and I take pride in every piece of work I produce. I have great time-keeping and organisational skills.

Throughout previous jobs I have gained experience which includes communicating with clients and the general public in person and via telephone, quality checking products, social media and time-management.
